Spring has finally sprung and you know what that means?

It's time for Spring Cleaning!

This year, as you're cleaning house and setting items aside for donations and garage sales, please remember The Baptist Home.

The Home's residents and needs vary widely and your donations may be just what is needed. Or you may consider hosting a garage sale with friends and contributing the proceeds. To make a contribution, please contact the campus nearest you.

Whatever your plans, The Baptist Home wishes you a *Happy Spring!* We hope you'll come by for a visit soon.
