

# The Baptist Home: Leader in Benevolent Care

First Residents - 1913

For 96 years, The Baptist Home has been providing benevolent care for aging Baptists through economic booms and downturns. This commitment began when God first placed His burden on Milford and Mary Riggs' hearts and remains the chief focus of The Baptist Home's ministry to this day.

Today The Baptist Home provides nearly 50% of its residents with some sort of benevolent care. How? Through diligent stewardship and gifts from faithful Christians like you.
